

The next evolution for your
Trial Master File.

Patients trust you. Do you trust your Trial Master File?

With cTMF from Wingspan Technology, you can rest assured that your data is complete, consistent and compliant. cTMF helps provide the evidence that ensures the integrity of the trial data, study analysis and study conclusions, protecting the rights and safety of patients. Plus, you'll experience the advantages of the cloud: a secure, high performing eTMF available anywhere you might need to access it.
